

8<sup>th</sup> March 2016

Dear Parents/Carers,

### **School Smartphone App**

We are ensuring our communication with you is easier, quicker and more efficient.

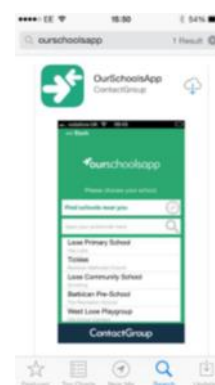

I am pleased to inform you that we have introduced a new app service to the school. OurSchoolsApp is a personalised app for our school and will allow us to keep you updated with school information, news, calendar events and links to useful websites.

If you have a smartphone (Android or iPhone), you can download OurSchoolsApp from Google Play Android or Apple App Store for free. Access is also available on a tablet and iPad by following the same download process.

When we update OurSchoolsApp with new information or news about school, a 'push notification' will automatically be sent to your device to inform you of this update. You can then view the notification which will take you directly to our app.

### **Instructions for download:**

1. Using the relevant device (iPad, iPhone, smart pad, tablet or android phone) search for '**OurSchoolsApp**' on your app store (Google play for android or App store for Apple devices);
2. Download the app for free;
3. In the search bar in the app, type in the school name or postcode BD12 0NN;
4. Hit the search button;
5. Once you see the school name displayed, click on it to select;
6. Confirm your choice by pressing 'ok';
7. You will now have access to the app to keep up to date with news and events.

If you need any assistance, please contact school.

Yours sincerely,

Mrs Y Broadbent  
Headteacher
