

Low Moor C. of E. Primary School

Aiming for Excellence

2nd November 2017

Dear Parents and Carers,

KS2 'READ AND RAVE'

We would like to invite you to attend our exciting 'Read and Rave' event that will take place on Wednesday 15th November, 3.15pm to 4.00pm. The event consists of a free disco in the hall for the children, while parents and carers attend a 'Ways to support your child to read' workshop, with class teachers from across Key Stage 2. *Children may only attend the disco if they are accompanied by an adult who is attending this session.*

New research by the Literacy Trust has found:

- Of those children who never read outside school, just 6% are above the expected level of reading for their age
- Young people who read outside of the classroom were 13 times more likely to read above the expected level for their age.

During the workshop we will discuss and provide information on how to encourage reading for pleasure, foster a love of reading and how you can best support your child at home. There will be an information and resource pack provided to support you with reading at home. During this time, we will also discuss and clarify our new reading incentive scheme.

The children's disco will take place in the hall and the workshop will take place in the media suite. Please enter through the main entrance.

Please complete the slip below if you wish to attend.

Yours sincerely,

Miss H Martin
Year 6 Class Teacher and English Co-ordinator
