Dear Parents and Carers,

ROAD SAFETY AROUND SCHOOL

I am writing to you following a serious incident which occurred this morning outside school grounds.

A car reversed into Park House Road from Wesley Drive, and in doing so, the rear bumper of the car touched one of our pupils. The driver left the scene without stopping to check whether the child was harmed. Fortunately, the child and friends were unharmed, if a little shaken by what had happened.

This matter has now been referred to the police who will be investigating.

I am appealing to those parents and carers who drive to school, to take particular care and not make risky manoeuvres in the vicinity of school, where children inevitably, will be walking. Please also refrain from dropping children at the top of the school drive. This is not a safe drop-off point for children and causes obstructions to other road users.

I hope you will agree that this cannot be tolerated and we must all work together to safeguard our children on their journey to and from school.

Yours sincerely,

Mrs Y Broadbent
