

16th November 2017

Dear Parents and Carers

SCHOOL MEAL SURVEY OCTOBER 2017

As you are probably aware, we have recently conducted a school meal survey. The purpose of the survey was to find out how often children have a school meal or a packed lunch and the reasons why. We were delighted with the number of responses and thank everyone who completed the survey. The results have now been collated and are available to view on the school website.

We are undertaking further analysis and liaising with the kitchen to look at ways to address some of the issues raised in your comments.

It was evident from both children and parent responses, that the hot meal options continue to be a popular choice. Over the coming months, particularly as the weather becomes colder, you may wish to encourage your child to try one of our delicious hot meals, if they haven't already done so.

Yours sincerely,

Mrs Y Broadbent
Headteacher
