

# Low Moor C. of E. Primary School

*Aiming for Excellence*

19<sup>th</sup> October 2017

Dear Parents and Carers

## **YEAR 1 - SPACE WORKSHOP**

As part of the year 1 topic on Space, a representative from 'Real History Alive' will be delivering a workshop to the children in school.

During this workshop, the children will undergo 'space training', dress up as astronauts and experience a virtual flight through the solar system to learn key facts about planets, moons and the sun. The afternoon will focus on rockets and robots and will provide an opportunity for children to build their own mini-rocket to take home. It will be very much a 'hands on' workshop in order to engage pupils in their topic-led learning.

The workshop will take place on **Thursday 23<sup>rd</sup> November 2017**.

To enable this activity to go ahead, we ask for a voluntary contribution of **£4.75** per child. There is no obligation to contribute and no child will be excluded from the activity because their parent is unwilling or unable to contribute. Contributions should be paid via ParentPay <https://www.parentpay.com/> by **Friday 17<sup>th</sup> November**. If insufficient contributions are received by this date, then the activity may be cancelled.

Please ask at the school office if you need assistance setting up your ParentPay account or would like a barcode enabled letter so that payment can be made at a PayPoint store.

Yours sincerely

Miss Ifould and Mr Bland  
Year 1 – Class Teachers
